Re: Board Member Training Expenses

An additional topic that came up during the discussion of the development of a business assistance program for business owners and employees to attend training, conference, etc. was the coverage of Board member expenses for the same purposes. The Economic Restructuring Committee discussed possible funding levels and agreed that Board members who attend conferences, training, etc. should get up to 50% of the registration fees covered by the MSM/DDA. No official recommendation by the Committee was made to the Board.

Thank you.
